

HBHWG

FEEDBACK: PRESENTATION BY CASEY ALLEN -- THE HUMBOLDT BAY ARTIFICIAL REEF PROJECT

1. Did you enjoy today's lunch gathering? very much: 100%

2. What did you like best?

The reef
Clear, simple, straight-forward ? for Humboldt
I'm happy to see the progress being made by this citizen's group
Presentation
Economic and recreational enhancement
The whole lunch and presentation
Always like to hear about new to me efforts to improve local life
Relation of fishing to Humboldt Bay
Casey did a good job of presenting scientific, balanced info
Presentation-Information-Good Project
Very informative
The question and answer

4. What did you like least?

The beans
The presentation needs to be lighter; and it will be in time.
Noise
The chicken

5. Did you find the presentation informative?

very much: 92% somewhat: 8% not at all: 0

6. What topic would you like to know more about?

Government obstacles to reef
Potential terminals on the bay
Well...after port and rail and fishing..maybe rec. and conservation next?
Timeline

7. Can you recommend a speaker?

John Dolby Redwood Capital Bank
Marian Brady; someone fro harbor District; anyone in business district
