QUESTIONS AND COMMENTS

What topics would you like to know more about?

- Economics of proposals; non-externalized costs of pollution abatement
- East/West Rail
- East/West Rail
- More general economic development discussion, not just focus on rail

ADDITIONAL SUGGESTIONS, COMMENTS AND/OR QUESTIONS

- Dredge specifics...depth potential and alignment
- Questions in financial figures--need to account for time value of money. Strategy is still "primary Economy"-- what is value added?
