

**HUMBOLDT BAY HARBOR WORKING GROUP**  
*Samoa Cookhouse Lunch Forum: August 28, 2013 (Adam Wagshal)*

**1. Your occupation**

\*City of Eureka

- CPA
- Retired
- Artist
- Pres. of Business Trades
- Econ. Dev.
- Forester
- Retired CR Biology Prof.
- Retired Director
- Public meeting enthusiast
- Publicist
- 

**2. Did you enjoy today's lunch gathering?** a. Very much: 10= 91% b. somewhat: 1= 9%

**Please explain**

- Interested in this type of project
- slideshow presentation--facts
- I had expected info about species other than oysters too.
- Great company

**3. What did you like best?**

- Presentation
- Learning about the bay
- Intelligent questions
- Soup and salad
- Everything/great info
- Some real world stuff
- Presenter: well-informed about oysters
- Info about pre-permits
- Great company
- Speaker knew his stuff

**4. What did you like least?**

- Cell phones ringing
- Small turn-out
- 

**5. Did you find the presentation informative?**

very much: 10 = 100%

**6. What topic would you like to know more about?**

- Oyster farming and future prospects of harbor-related jobs
- What's actually happening
- Who or what are other potential shippers East of CA
- Anything to do with growing businesses

- How bay use fits into ? products and imports
- Other speciesSea rise? Fallout from Japan
- Misappropriation of public funds
- 

**7. Can you recommend a speaker?**

- Jenny Role (?): background on properties/Casey Allen
- Speaker from potential shipping industries
- it can get E/W railroad folks to list real #s, more how bay fits E-W transfer picture
- Humboldt Co. ? Wendy Chaitin

**8. Additional suggestions, comments and/or questions:**

- Will southern ports welcome this port for overflow or would we be seen as competition? Can we develop a place for kayakers to play without interfering with shipping, etc.?
- Good job!
